

MESSAGE FROM THE CITY OF MELBOURNE

Celebrate the 19th annual Victorian Festival of Diwali with a day of free festivities – including live music, crafts, dance and yoga workshops, as well as sari and dhoti wearing competitions.

Join neighbours, friends and family in the heart of the city at Fed Square to embrace this ancient festival's timeless message of light, wisdom and tolerance.

This year, there will be a Ram Darbar display to showcase the birth of Diwali, and Life Saving Victoria will be on hand to prepare the community for a safe summer on the beach.

Thank you to the organisers, stallholders and entertainers for bringing the community together and promoting diversity and inclusion.
